PARENT COMMUNICATION

Starting next week we'll be using parent communication booklets to relay information about your child's day. The teachers will fill out the daily page and write notes if there's important information to share. They'll send it home in the children's lunch boxes. If you have questions or concerns, you can write a note in the booklet and send it back the next day.

= RECAP..

- 1. Teachers will fill out a page in the daily report booklet and put it in children's lunch boxes.
- 2. Parents will read the notes at home and add additional notes or comments when needed.
- 3. Parents will put the booklet back in the lunch box for the next day.

(repeat:)
